

A Message from Vital Link

This fall we will be doing a whole new type of fundraiser called Pedal-ED! Four Fridays, 200 miles of cycling, 5,000 feet of climbing, and making 30 stops all to raise \$10,000 for scholarships and to raise awareness about Orange County's Career Technical Education programs. Join us in raising money for scholarships for CTE students entering community colleges to pursue their dream careers. Stay tuned for upcoming announcements on how you can help!

Community News

School safety protocols must meet or exceed state standards.

Locally elected school boards and district superintendents are responsible for approving and implementing school safety plans with input from their stakeholders. But those plans must meet or exceed the standards set by the California Department of Public Health. Read the full article for a quick snapshot of what the CDPH requires for this upcoming school year.

Education Tips

Back to School

Encourage students to take advantage of orientation events. They can get an early chance to map out classrooms, learn daily schedules and meet teachers.

Prioritize mental health. Encourage your children to speak up if they are feeling overly stressed, anxious or depressed.

Get involved. Students should take the time to explore clubs and extracurricular opportunities to discover a new interest or passion.
