

A Message from the Vital Link President

It is with mixed emotions that I leave Vital Link after nearly 2 years as President. While it has been a challenging time, courtesy of the pandemic, it has also been one of the most rewarding professional experiences of my career. While the work itself has been very gratifying and it has been amazing to see the transformation of Vital Link, it is the dedicated, caring team at Vital Link and at our partners that have made it so wonderful. Thank you to everyone who has helped us along the way the last 2 years. And please continue to support this wonderful organization. The mission of Vital Link is critical for our students as well as for our businesses and economic vitality.

USEF ROBO TOURNEY Soccer Bot

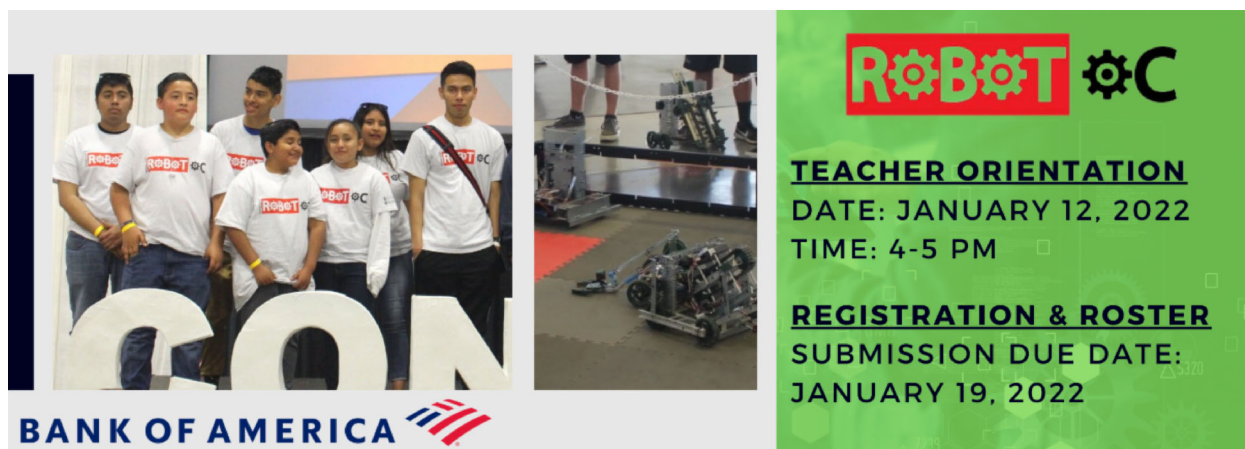

FEBRUARY 26, 2022

Soccer Bot is a challenge based on real-world soccer. Using metal parts that are interchangeable with those used in FIRST Tech Challenge or VEX Robotics, Teams create a robot that functions as a 'soccer player'.

About Vital Link:

Vital Link, a 501(c) 3 nonprofit organization (Tax ID# 33-0632256), provides creative and professional programs that focus on leading-edge job skills and job development curriculum. We reach over 30,000 students each year through Career Exploration Programs, support services and use of the Vital Link curriculum. Encouraging students to make the connection between their education and their future career is the foundation of Vital Link and will impact lives today and in the future.
