

A Message from Vital Link

As we put the 2020-21 school year and all of its challenges and opportunities behind us, Vital Link's team is very busy prepping for what we expect to be a very busy 2021-22 calendar for all of our students and educators. We expect to be focusing on emerging and exciting careers (e.g. drones, robotics, AR/VR, cybersecurity, data analytics); the entrepreneurial mindset and its applications across all sectors and for teachers and students; and new opportunities for students and teachers to engage with businesses both virtually and in-person. Additionally, in the Fall Vital Link will be holding a new, unique fundraiser for scholarships for OC students to attend OC community colleges, called Pedal-ED. And we are also busy with plans to rebrand and relaunch Vital Link. Through all of this, we stay focused on our core values of dedication, collaboration, diversity, passion, and inspiration. Stay tuned for more great events and programs from our incredible team and partners.

OC educators provide tips to keep students learning this summer

Visit the Library

Go on a field trip

Work on writing & literacy

With the summer months here, children and teens could start to feel their young minds forgetting what they've learned all school year. With that concern, educators have decided to share some tips that they believe can help students stay academically engaged while out of school.

ALTERYX DATA ANALYTICS BOOTCAMP

WHAT IS DATA ANALYTICS?

"Data analytics is the pursuit of extracting meaning from raw data using specialized computer systems. These systems transform, organize, and model the data to draw conclusions and identify patterns."

alteryx

Thank you and congratulations to everyone who participated in our Alteryx Data Analytics Bootcamp! [#VitalLink](#) [#DataAnalytics](#) [#Alteryx](#) [#Coding](#)

QUOTE OF THE MONTH

"Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time."

— Thomas A. Edison

About Vital Link:

Vital Link, a 501(c) 3 nonprofit organization (Tax ID# 33-0632256), provides creative and professional programs that focus on leading-edge job skills and job development curriculum. We reach over 30,000 students each year through Career Exploration Programs, support services, and the use of the Vital Link curriculum. Encouraging students to make the connection between their education and their future career is the foundation of Vital Link and will impact lives today and in the future.
