

A Message from Vital Link

A friendly reminder that this October we will be doing a whole new type of fundraiser called Pedal-ED! It will consist of Four Fridays, 200 miles of cycling, 5,000 feet of climbing, and 30 stops all to raise \$20,000 for scholarships and to raise awareness about Orange County's Career Technical Education programs. Join us in raising money for scholarships for CTE students entering community colleges to pursue their dream careers. Stay tuned for upcoming announcements on how you can help!

QUOTE OF THE MONTH

I've missed more than 9,000 shots in my career. I've lost almost 300 games. 26 times, I've been trusted to take the game winning shot and missed. I've failed over and over and over again in my life. And that is why I succeed."

-Michael Jordan
