DIGITAL MEDIA ARTS

CREATIVE PHOTOGRAPHY • AP PHOTOGRAPHY • HONORS CINEMATIC ARTS

Digital Media Arts students will learn visual storytelling and develop visual literacy through the exploration of **Photography, Graphic Design, and Filmmaking**. Graduates who have a combination of the creative and technical skills developed by completing a pathway in Digital Media Arts are highly sought after in today's Creative Economy.

Courses in Digital Media Arts emphasize individualized instruction allowing students to pursue their interests and passions at their own pace. Pathway completers graduate high school both **College and Career Ready**.

Students who complete a pathway in Digital Media Arts at Edison High School will have the opportunity to **earn a cord at graduation**.

CREATIVE PHOTOGRAPHY 9-12

Creative Photography is a UC College Prep elective exploring photography and design. You will develop 21st Century Skills in the areas of creativity, technology, and communication while exploring individual interests, perspectives, and experiences to create original and expressive works of art & design.

AP PHOTOGRAPHY 10-12

AP Photography is a college-level studio art course intended for the serious photography student. The goal of the course is to develop a college-level portfolio that demonstrates a thorough understanding of the elements of art and principles of design through an investigative experimentation of ideas, materials, and processes.

HONORS CINEMATIC ARTS 10-12
