

# November 2023

## *Newsletter*

## A Message from Vital Link

As we envision a future where students are empowered to navigate fulfilling careers, your support for our career exploration programs plays a pivotal role. This Giving Tuesday, on November 28, you can further strengthen our programs and students by either volunteering your time or becoming a monthly donor. By endorsing these initiatives, you are shaping a landscape where students possess the knowledge and assurance to pursue rewarding professional paths. To donate, simply click on the banner below. Your support is impactful—empowering students toward a brighter tomorrow. Thank you for contributing and making a meaningful difference!

Your investment in us  
is an investment in  
lasting change.

## Upcoming Events!

Get ready for a day of inspiration and empowerment at our Student Leadership Summit! Featuring Wing Lam, co-founder of Wahoo's Fish Taco, as the keynote speaker. Vital Link is seeking exhibitors for our annual summit, offering students diverse insights into career interests. Don't miss the chance for students to connect with exhibitors and potential future employers. Let's make this summit unforgettable!

**Competition Judges Needed!**

Click or Scan to sign up!

Our competition season has officially started and we are in need of professional industry judges to help us pick winners! There are 2 competitions that require the opinions and critiques of professionals like yourself. Our Culinary Competition is in need of Culinary professionals in the industry. Our Digital Media Arts Competition is in need of professionals in industries such as Animation, Graphic Design, Film, Web Design, and Photography. If you are interested in molding the creative minds of our future workforce, then we welcome you to register to be judge!

“No one who achieves success does so without acknowledging the help of others.”  
— Alfred North Whitehead

---

Vital Link is a 501c3 nonprofit organization dedicated to preparing students for their future careers through experiential learning opportunities. We offer programs that introduce students to the world of robotics, engineering, manufacturing, healthcare and medical, computer programming, digital media arts, automotive technology and more. Through these hands-on programs, we inspire students to feel confident and excited to pursue a fulfilling career.
