

October 2023 Newsletter

A Message from Vital Link

Vital Link is back in schools, empowering students to discover their career passions. Join our exciting events: exhibits, tours, workshops, fairs, and competitions. Thanks to our volunteers and partners for helping us prepare the future workforce. Don't miss the Student Leadership Summit on December 6th, tailored for grades 9-12. Expect valuable experiences for career exploration and skill development. Be an exhibitor, sponsor, or host a workshop!

STUDENT LEADERSHIP SUMMIT

Exhibit Days are currently in full swing

The Vital Link team is back in school, presenting hands-on displays that connect students with exciting career experiences. We launched our first exhibit day at **Beacon Park Middle School** where numerous students engaged with a wide range of exhibits, such as automotive, animal sciences, robotics & engineering, CPR, and drones.

Regional Advisory Boards

Manufacturing, Engineering, Construction, Energy, & Utilities

On October 19th, our inaugural advisory board meeting united educators from 12 Orange County school districts, college representatives, and industry professionals from various companies. Our sincere thanks to these dedicated professionals.

In partnership with 

MANUFACTURING MONTH

LEARN MORE HERE

Manufacturing Month is here! We've already had fascinating tours at **Johnson & Johnson** and **Reborn Cabinets**, giving students an inside look at manufacturing. These tours connect students with industry professionals, helping them explore potential careers. Next up: tours at Santa Ana College, Saddleback College, and Cambro Manufacturing!

You make a living by what you get. You make a life by what you give.

WINSTON CHURCHILL

Vital Link is a 501c3 nonprofit organization dedicated to preparing students for their future careers through experiential learning opportunities. We offer programs that introduce students to the world of robotics, engineering, manufacturing, healthcare and medical, computer programming, digital media arts, automotive technology and more. Through these hands-on programs, we inspire students to feel confident and excited to pursue a fulfilling career.
