

September 2023 Newsletter

A Message from Vital Link

Please mark your calendar for the Gala on September 30th! This remarkable occasion is the culmination of a collaborative endeavor between Vital Link and University Lab Partners, both passionately committed to advancing STEM education in Orange County. At this esteemed gathering, we will come together to applaud and honor outstanding businesses, educators, and individuals whose contributions have been pivotal in fostering opportunities for students.

 @vitallink_ca

Vital Link is a 501c3 nonprofit organization dedicated to preparing students for their future careers through experiential learning opportunities. We offer programs that introduce students to the world of robotics, engineering, manufacturing, healthcare and medical, computer programming, digital media arts, automotive technology and more. Through these hands-on programs, we inspire students to feel confident and excited to pursue a fulfilling career.
