Monthly News and Updates From Vital Link

Dear {{FirstName or 'Friend'}},

As we wrap up our summer programming, July is a crucial time for us at Vital Link. We're aligning for the upcoming school year, focusing on future programming, and preparing for another impactful year. This month, we're accomplishing key tasks to set the stage for continued success. In this newsletter, you'll find updates on our Academy Breakfast, open Board Applications, our apprentices, and ways you can support our 30th anniversary. **We look forward to sharing these exciting developments with you!**

Join Us for Our Academy Breakfast Celebration

SUMMER ACADEMY CULMINATION BREAKFAST

AUGUST
6TH

We are thrilled to invite all of our industry professionals, workshop leads, and mentors to our Academy Culmination Breakfast on August 6, 2024 from 8:30 - 11 am. This event celebrates the remarkable achievements of our summer academy cohort, from the NEXT Academy to our Bionics Academy students. Join us to witness their accomplishments and connect with them! *This event is free and open to everyone.* Please **RSVP** below for details.

Become a Vital Link Board Member

We are excited to announce that our Board Applications are now open. If you are interested in empowering students and contributing to our mission, we invite you to apply. At Vital Link, we ensure every student is exposed to potential career opportunities through innovative programs. We help students explore their interests, expand their tools, and develop networks to create pathways to their future careers. If this aligns with your values, please complete the Board Application Packet below to apply.

Welcoming our new Apprentices!

We are excited to share that our new apprentices, Jasmine and Ashley, have joined our organization.

Jasmine is our Office Manager Apprentice, and Ashley is our Customer Service Apprentice. They will be actively involved in supporting our operations and programming over the next year or so. Hosting an apprentice strengthens our future workforce by equipping students with the structure and training they need to be successful in their positions. It also allows them the flexibility to continue their studies while gaining valuable hands-on experience. We are grateful for the opportunity to host apprentices like Jasmine and Ashley. If you are interested in hosting an apprentice, please fill out our apprenticeship interest form.
